

Airsim Mannequin Product Offering

Model	Part Number	Product Description
AirSim Standard	T-AA10000	AirSim Intubation Training Mannequin, Standard Model
AirSim Standard	T-AA10001	AirSim Intubation Training Mannequin, Standard Model with Breakout Incisor Teeth
AirSim Standard	T-AA10010	AirSim Intubating Training Mannequin, Standard Model with Needle Access
AirSim Standard	T-AA10011	Model with Needle Access and Breakout Incisor Teeth
AirSim Multi	T-AA11100	AirSim Intubation Training Mannequin, Multi Model with Nasal Passage and Chin
AirSim Multi	T-AA11101	AirSim Intubation Training Mannequin, Multi Model with Nasal Passage, Chin, Breakout Incisor Teeth
AirSim Multi	T-AA11110	AirSim Intubation Training Mannequin, Multi Model with Nasal Passage, Chin, and Needle Access
AirSim Multi	T-AA11111	AirSim Intubation Training Mannequin, Multi Model with Nasal Passage, Chin, Needle Access, Breakout Incisor Teeth
AirSim Bronchi	T-AA51100	AirSim Intubation Training Mannequin, Bronchi Model with Nasal Passage and Chin
AirSim Bronchi	T-AA51101	AirSim Intubation Training Mannequin, Bronchi Model with Nasal Passage, Chin, and Breakout Incisor Teeth
AirSim Bronchi	T-AA51110	AirSim Intubation Training Mannequin, Bronchi Model with Nasal Passage, Chin, and Needle Access
AirSim Bronchi	T-AA51111	AirSim Intubation Training Mannequin, Bronchi Model with Nasal Passage, Chin, Needle Access, and Breakout Incisor Teeth
AirSim Advance	T-AA91100	AirSim Advance model
AirSim Advance	T-AA91101	AirSim Advance model with Breakout Incisor Teeth

AirSim Advance	T-AA95100	AirSim Advance model with Bronchial tree
AirSim Advance	T-AA95101	AirSim Advance model with Bronchial tree and Breakout Incisor Teeth
Airsim Advance Bronchi	T-AA95100	AirSim Advance Bronchi model
Airsim Advance Bronchi	T-AA95101	AirSim Advance Bronchi model with Breakout Inscisor Teeth
AirSim Advance Crico	T-CR91100	AirSim Advance Crico
AirSim Advance Crico	T-CR91101	AirSim Advance Crico with Breakout Incisor Teeth
AirSim Advance Crico	T-CR95100	AirSim Advance Crico with Bronchial Tree
AirSim Advance Crico	T-CR95101	AirSim Advance Crico with Bronchial Tree and Breakout Incisor Teeth
AirSim Advance Larynx	T-LT91100	AirSim Advance Larynx model for ENT training
AirSim Advance Larynx	T-LT91101	AirSim Advance Larynx model for ENT training with Breakout Incisor Teeth
AirSim Advance Larynx	T-LT95100	AirSim Advance Larynx model for ENT training with Bronchi tree
AirSim Advance Larynx	T-LT95101	AirSim Advance Larynx model for ENT training with Bronchi tree and Breakout Incisor Teeth
TruMan Standard	T-TM10001S	Truman for Airway Management and Basic CPR training
TruMan Multi	T-TM10001M	Truman for CPR/AED/Airway Management training including electronic feedback and monitor
AirSim Baby	T-JR10001	AirSim Baby Airway model
AirSim Child	T-AC10006	Six-Year-Old AirSim Child Model
AirSim Pierre Robin	T-PR10000	Paediatric Pierre Robin congenital defect model
